

Go Gold for Childhood Cancer Awareness in September!

September is **Childhood Cancer Awareness Month**. Wesley United Methodist Church at Frederica will be offering **Gold Mailbox Bows** so our community can **Go Gold** and give support to our little fighters! All proceeds will go directly to the medical funds of the **children of Glynn County** who are currently battling cancer.

Mailbox bows are a powerful way for the children and their families to see how they are prayed for, thought of, loved and supported by their community.

A **suggested tax-deductible donation of \$25** can be made by check with the donation form below or online at: www.wesleyssi.org/gold-bows until September 9.

Local pick up only at Live Oak Fitness, 545 Skylane Road, St. Simons Island between 9AM and 6PM on the following Thursdays: August 23, August 30, September 6, September 13

For questions, contact Chris or Cassie Busby at 912-268-2594 or glynngoldbows@gmail.com.
